Press Note.

SETTLEMENT OF PENSION/GRATUITY CLAIMS—STATE FORCES PERSONNEL.

The Ministry of Defence, Government of India have notified that representations have been received in that Ministry from various sources alleging delay in the settlement of Pension and Gratuity claims of *Ex*-State Forces Personnel who were released from service, consequent on the integration of the State Forces with the Indian Army. Finalisation of these claims which numbered over 42,000 was a gigantic task rendered difficult by the diversity of rules and method of documentation in different States. As a result, the Government of India have had to be moved very frequently to solve the "deadlocks" covering practically every aspect of pension work, which could not under any circumstances, be settled locally on the basis of the established rules or regulations of the States.

In spite of the arduous difficulties and the magnitude and complicated nature of the work involved, prompt and speedy action has been taken to finalize the claims of the released personnel. So far as the claims of the personnel of the Mysore State Forces are concerned, out of 1943 cases involved, 1754 cases have been settled, leaving a balance of only 189 cases.

All possible efforts are being made to settle the remaining cases with the least possible delay.

OFFICE OF THE PRINCIPAL INFORMATION OFFICER TO THE GOVERNMENT OF MYSORE, OLD PUBLIC OFFICES, BANGALORE.

Press Note.

The "Kidi" dated 14th June 1953, has made certain comments alleging that Sri H. Siddaveerappa, Minister for Home and Industries, has placed orders with the agents of a Madras Firm for the purchase of chassis of the value Rs. 16 lakhs for the Mysore Government Road Transport Department, when lower quotations were available and that the present Chairman of the Stores Purchase Committee, Sri J. Appaji Gowda, has taken objection to this.

The whole allegation is absolutely baseless. It is ascertained that the question of purchasing chassis for the Road Transport Department is still under correspondence and consideration by the Stores Purchase Committee which has not taken any final decision in the matter. It should therefore be evident that the matter has not yet come up before Government for disposal and that no such orders as alleged, could have been placed. It may be stated that at no stage has the connected file been referred to Sri Siddaveerappa either as Minister for Home and Industries or when he functioned as Chairman of the Stores Purchase Committee prior to the appointment of Sri J. Appaji Gowda as Chairman.

The comments and allegations made in the "Kidi" are totally false.

Press Note

CHANGES IN THE TREASURY ARRANGEMENTS CONSEQUENT ON THE OPENING OF A BRANCH OF THE RESERVE BANK OF INDIA AT BANGALORE.

It is hereby notified for general information that the Reserve Bank of India will be opening a branch in Residency Road, Bangalore-1, from 1st July 1953 and that from that date bulk of the cash work of the treasuries functioning in the Corporation Area will be taken over by it. As the Bank cannot deal with more than one treasury in the same locality, the several treasuries now working in Bangalore will be reconstituted as follows :—

(i) The Civil Station Treasury and the Bangalore District Treasury will be merged with the State Huzur Treasury located in the Old Public Offices.

(ii) The Bangalore South Taluk treasury will be merged with the North Taluk Treasury.

The Treasury procedure to be followed in Bangalore on and after 1st July 1953 will be as under :—

(*a*) Persons having to pay money on Government Account to the State Huzur Treasury will hand over the challan at the State Huzur Treasury in the usual way and obtain a direction of the Treasury Officer thereon to the Bank to receive the money. They will then proceed to the Bank, pay the money and obtain the Bank's acknowledgment. The transaction is completed. Those having to draw money from the State Huzur Treasury will likewise obtain an authorisation by the Treasury Officer on the bill or cheque and receive payment at the Bank.

(*b*) In a number of cases, however, the public having to pay or draw money need not obtain the authorisation of Treasury Officer, State Huzur Treasury, and may complete their transactions at the Bank direct. The following are the cases of the kind :—

Payments into the Bank.—Remittances of Sales-Tax, Forest Revenue, Civil and Criminal Court deposits, Income-tax, Union Excise Duties, amounts due to the Government Insurance Department, Vehicle Taxes payable under the Motor Vehicles Act and other amounts on challans scrutinised by the Departmental Officers or on special challan forms prescribed for the purpose.

Drawals from the Bank.—All kinds of cheques drawn by the Government Officers and payable at Bangalore, Refund Orders of the Income-tax Department, Refund Orders of the Union Excise Department and payment orders or cheques of the Government Insurance Department.

Note.—1 Collections of Land and Excise Revenue, repayments of Land Improvement Takavi loans, Receipts and Payments of Revenue Departments, Muzrai Funds, Village Panchayet Funds, General Stamp Refunds, etc., closely connected with the taluk accounts and collection of fees under the Motor Vehicles Act will be transacted at the Bangalare North Taluk Treasury. The public need not go to the State Huzur Treasury or the Reserve Bank of India in such cases.

Note.—2 Examination fees, fees for admission to schools and colleges, fees for obtaining marks cards, fees for obtaining certificates of dates of birth paid by *private candidates* will, as a special case, be received at the North Taluk Treasury also.

Note.—3 Amounts payable to the Government Insurance Department towards premia, etc., may be paid in Bangalore either at the Reserve Bank or at the branches of the Mysore Bank or at the Bangalore North Taluk Treasury. Payments on behalf of the Insurance Department, however, will be made at the Reserve Bank direct on payment orders or cheques issued by the Secretary, Government Insurance Department.

Note.—4 Savings Bank transactions, issue and repayment of treasury savings certificates and fixed deposits and disbursements of pensions will be centralised and attended to at the State Huzur Treasury only from 1st July 1953. As such transactions will have to be registered at the treasury invariably, arrangements have been made to receive or pay cash in these cases at the treasury itself. The public need not go to the Bank except at their option to finalise such transactions. Special steps are being taken to see that these transactions are conducted at the State Huzur Treasury expeditiously.

Note.—5 The pensions of Rs. 25 and above now disbursed at the Mysore Bank will not be affected by these changes, for the present.

Note.—6 Motor Vehicle Taxes payable at Bangalore will be collected at the Reserve Bank itself from 1st July 1953. They will not be received either at the State Huzur Treasury or at the Office of the Inspector-General of Police. The taxes may be remitted to the Bank direct on challan forms in duplicate which will be supplied at the Bank. One copy of the challan duly receipted by the Bank for credit of the Tax should be presented along with the application forms (in duplicate) and other relevant records to the Licensing Officer for issue of licenses. For Civil Station Vehicles, licenses will be issued by the Treasury Officer, State Huzur Treasury. In all other cases, the licenses will be issued by the Motor Branch of the Office of the Inspector-General of Police. Where permits are issuable, the same

will be issued by the authorities concerned on the production of the receipted challan for payment of cess at the Bank.

Fees payable at Bangalore under the Motor Vehicles Act, will all be received at the Bangalore North Taluk Treasury. They will not be received either at the State Huzur Treasury or at the Reserve Bank.

Note.—7 Pensioners attending the State Huzur Treasury in person to receive payment on the first two days and the last day of each month may present their bills along with their halves of the Pension Payment Orders to the Treasury, two days in advance, to ensure expedition.

In the cases of transactions to be finalised at the Reserve Bank, whether previous authorisation of the Treasury Officer is required or not, public do not have to wait at the treasury or the Bank longer than is absolutely necessary as the accounting work will be done afterwards and not before receipt or payment as at present. In case of documents which can be presented direct at the Bank, the transactions will be completed expeditiously as at any other Bank.

Before payments are claimed at the Reserve Bank on cheques, Refund Orders, etc., the payees should in order to avoid inconvenience to them at the Bank, get their signatures on the cheques, orders, etc., previously attested either by the cheque drawing officer or *by any other Government Officer drawing bills or cheques on the State Huzur Treasury or the Reserve Bank.* As the Reserve Bank has to satisfy itself as to the identity of the claimants before payment, strict adherence to the above instructions will save much time and inconvenience to the payees.

The linking of the State Huzur Treasury with the Reserve Bank is calculated, amongst others, to afford greater opportunities for the public to come in contact with the Bank. The distance of only a mile between the treasury and the Bank may operate as an inconvenience in a few cases but the quickness with which the transactions will be completed at the Bank will more than offset this small disadvantage. Even this will be remedied in course of time as soon as the Reserve Bank owns a building of its own. Till then it has necessarily to be housed in a rented building and the "Canara Mutual Building" in which the Bank will start functioning from 1st July 1953 is ideally situated, as it lies almost mid-way between the City and the Civil Station, and is connected by buses plying in the Corporation Area.

The exact number of installations which are coming under this scheme cannot be anticipated. It depends upon how many consumers are willing to take advantage of the scheme. However, a list of pumping sets which are expected to be installed during the year 1953-54 sectionwar is herewith appended. However, it is hoped that at least 25 to 30 per cent will take advantage of the scheme.

(3) Materials for cement concrete foundation will have to be provided for by the successful tenderer, but cement required for the work will be arranged to be supplied through the Department, if desired; the cost of supply being recovered from his bill of cost for the installation of the I.P. Sets.

(10) The successful tenderers will be required to deposit an earnest money of Rs. 25 per each installation work awarded to him which will be forfeited to the Department if he does not carry out the work as per agreed schedule.

(11) The tenderers may also please note that the Department will render all reasonable help to enable the tenderer to complete the work well in time in the interest of the Department, of the ryot, and his own work.

As the work of installing and servicing the I.P. Sets is put on the topmost priority under the 'Grow More Food' Scheme, speedy execution of work is of utmost importance and therefore the tenderer should have reasonably well established organisation to carry out these works expeditiously, as per contracts to be awarded to him by the several Sectional Officers of the Department from time to time.

Gentlemen,

No. S.P.C. 13974. With reference to your quotation No. 13625, dated 26th February 1953 and Letters No. 365 dated 9th April 1953 and 2383, dated 15th June 1953, received in response to the above enquiry, I write to request you to enter order for the Electric Lamps described in the attached schedules, I to IV at the prices specified against the respective items and arrange to make supplies on receipt of indents for the same from the several departments of Government.

This order will be subject to the following conditions:—

1. The contract will be in force up to 31st March 1954. Supplies, if any, made to the departments from 1st April 1953, when the lost contract expired will also be billed at the rates accepted in this order. If during the currency of the contract there should be any reduction in prices of electric lamps owing to the reduction in the cost of raw materials and labour, we should be entitled to the benefit of such reduction.

2. The number of lamps to be purchased under the contract will depend on the requirements of the Departments. The contract should be deemed to be limited to the actual quantities indented for.

3. All indents from the departments should be complied with within a week from the date of receipt. In the case of large orders when due to want of stock the lamps have to be manufactured, an extension of time up to one month from the date of receipt of indent will be allowed in order to complete the supply.

4. The lamps should conform to the specifications given with the enquiry and the schedule and to the latest B.S.S. as regards quality and efficiency. Supplies not conforming to specifications will be liable to rejection at your risk and cost.

5. The useful burning life of the lamps up to an average of 1,000 hours should be guaranteed. If the life of the lamps falls below this limit, you should be prepared to accept a proportionate reduction in price or supply sufficient number of lamps to make up the shortage in life.

6. The lamps should be supplied in sound condition, breakages if any, should be made good, free of cost, to us.

7. The lamps to be supplied should be branded with the words "MYS. GOVT." 1953-54.

8. The Stores Purchase Committee reserve the right to get sample of the lamps supplied by you tested from time to time for determining their life and efficiency. The cost of such tests will have to be borne by you. The results of such tests will be made applicable to the entire lot of lamps supplied on a particular order.

9. In the event of delay in making supplies or failure to execute the contract satisfactorily, the Stores Purchase Committee reserve the right to cancel the order and arrange for the purchase of the lamps elsewhere debiting the extra cost incurred thereby to you. In such an event, they also reserve the right to levy a penalty of three per cent of the value of the order as and by way of liquidated damages.

10. Bill of cost should be sent to the Indenting Officers for payment.
